

HOW TO RENEW YOUR DIGITAL CERTIFICATE

**FOLLOW THE STEPS BELOW TO RENEW YOUR DIGITAL
CERTIFICATE**

STEP 1: Browse www.govca.rw website

STEP 2: Click “**Renewal**” link

NB: once you click on “Renewal” and you see a message to install the software “**Need to install software(SecuKit NXS)**”, Click OK and download and install that software.

STEP 3: scroll down you will see a “**Renew Certificate**” button and click on it.

STEP 4: On the next window, choose the storage (removable disk, hard disk or security token) of your digital certificate and select the digital certificate you want to renew.

STEP 5: Enter you the digital certificate password in the appropriate field and click “confirm”. You will get a pop-up saying “**CA is renewing certificate**”. Wait until you get another pop-up saying that your digital certificate has been successfully renewed. Then click “**Confirm**” to close.
